

PTO'S

**PART-TIME
OFFICERS**

Eleanor Radford

Hello, I'm Eleanor!

i'm currently a second-year International Relations students, involved in the union council as the Art society representative, and I am running for a non-portfolio officer position.

Library room bookings:

The current system only allows for students to book one room a day, and maximum of a two-hour slot.

This stops students from being able to move rooms for different events/ reasons or using the rooms for any activity longer than two hours.

I would seek to change this system, allowing students to book rooms for longer slots or more than one room a day.

Pre-exam mocks and workshops

Covid has impacted students and has meant that some students haven't taken in person exam for up to four years.

With in-person exams returning, the university should support students to prepare for these important exams, via providing mock exams and workshops.

Overall, I hope to make UEA a better place to study and a better community overall.

Non-Portfolio Officer
